Tutorial

Custom Printer Friendly and Print to PDF Images

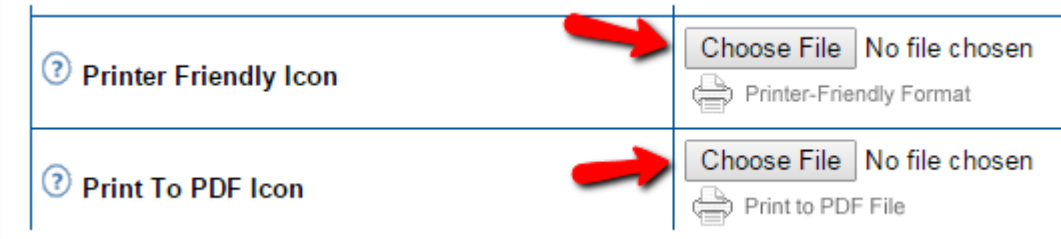

Instead of using the default Printer Friendly and Print to PDF images as seen above, you can now ea
friendly image and print to PDF image to be shown on your pages.

1. Under 'Master Settings' **choose 'Edit Master Template'**

2. Find the fields **'Printer Friendly Icon'** and **'Print to PDF Icon'**

3. **Click 'Choose File'** and find the file from the local drive to upload

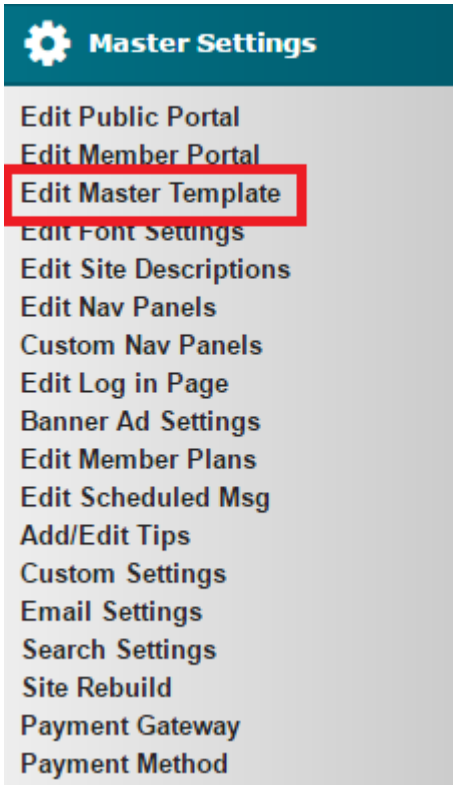

4. The new icons will now appear on the site where the Printer Friendly and PDF options are set to show.

Custom Printer Friendly and Print to PDF Ima

Instead of using the default Printer Friendly and Print to PDF images as
easily upload a custom printer friendly image and print to PDF image to

The Settings are Found in 'Edit Master Template'
